ISSUE FORTY NINE | FEBRUARY 2021

Dear Colleague

## Together we collaborate as a multidisciplinary team to provide coordinated and comprehensive care for your patient

MIDLAND CARDIO-VASCULAR SERVICES (MCVS) AND BRAEMAR CARDIO-THORACIC SERVICES (BCTS) HAVE BEEN COLLABORATING FOR MORE THAN 16 YEARS IN THE DIAGNOSIS AND TREATMENT OF CARDIOVASCULAR DISEASE ACROSS THE GREATER WAIKATO REGION AND BEYOND.

### Your Specialist led care team

Our specialists are all experienced cardiologists, cardio-thoracic surgeons, anaesthetists and intensivists who collaborate as a multidisciplinary team to provide a coordinated and comprehensive care for your patient.

Other members of the team include Vascular surgeons, specialised intensive care, theatre and ward nurses, medical radiation technologists, cardiac physiologists, sonographers, perfusion and anaesthetic technicians.

### Midland Cardio-Vascular Services

MCVS has been operating for over 16 years serving the Waikato and Midlands region and gradually extending to provide services to the whole of NZ. MCVS offers the full range of Diagnostic Cardiac, Interventional Cardiac and Structural Heart Procedures.

For more details visit: <http://www.mcv.co.nz/patient-information/diagnostic-and-interventional-cardiac-procedures/>

### Braemar Cardio-Thoracic Services

BCTS has been successfully carrying out cardio-thoracic surgery for more than 25 years and offers the full range of interventional surgical procedures, supported by purpose-built facilities and specialised medical equipment.

For more details visit: <https://www.braemarhospital.co.nz/braemar-cardiothoracic-services/>

MCVS and BCTS both accept all patients – regardless of which insurance company they may belong to, or whether they have insurance cover or not, including Southern Cross, nib and Sovereign.
